

Skrill MyAccount

2 - MyAccount Verification & Limits

MyAccount Verification

Step 1 – Verify your email address

The screenshot shows the Skrill MyAccount interface. At the top left is the Skrill logo. At the top right are links for 'Logout', 'MY ACCOUNT', and 'HELP'. Two orange notification banners are present: the first says 'To ensure we have the best level of security, please verify your email address now.' and the second says 'Regulations require that we first verify your identity before you can access your funds. Please verify your identity now.' Below these are navigation tabs for 'Account Overview', 'All Transactions', 'Cards and Bank Accounts', and 'Settings'. The 'Account Overview' section shows 'Last transactions' with the text 'No transactions were made' and a link for 'All transactions'. Below this is a link for 'More exclusive gaming promotions'. On the right, the 'Balance' section shows 'USD 0.00 available' and buttons for 'Upload', 'Withdraw', and 'Send Money'.

MyAccount Verification

Step 1 – Verify your email address

The image shows a composite screenshot. The background is the Skrill website's 'MyAccount' page. At the top left is the 'Skrill' logo. At the top right are 'Logout', 'MY ACCOUNT', and 'HELP' links. A yellow notification bar at the top of the page reads: 'An email has been sent to paysafe.miami@gmail.com please go to you inbox now and click the verification link.' Below this are navigation tabs for 'Account Overview', 'All Transactions', and 'Card'. A section titled 'Last transactions' shows 'No transactions were made'. A link for 'More exclusive gaming promotions' is visible at the bottom left.

Overlaid on the right is a Gmail inbox window. The search bar at the top contains the text 'Please verify your new email address'. The email list shows an email from 'Skrill <no-reply@email.skrill.com>' received at 3:37 PM. The email content is as follows:

Why verification is important
U.S. federal and state laws require us to collect certain information from our customers. We are required to verify your identity before you can Upload, Send or Withdraw money with your Skrill account. Verifying your identity increases transaction limits and gives you access to the full wallet functionality.

The screenshot displays the Skrill user interface. At the top, the Skrill logo is on the left, and navigation links for 'MY ACCOUNT' and 'HELP' are on the right. Below the logo, there are tabs for 'Account Overview', 'All Transactions', 'Cards and Bank Accounts', and 'Settings'. The 'Settings' tab is active, showing 'Manage your settings' with sub-tabs for 'ACCOUNT SETTINGS', 'PERSONAL INFO', and 'ACCOUNT LIMITS'. The 'ACCOUNT LIMITS' section is expanded, showing 'Current account limits' with a note: 'Increase your Skrill account limits now to make sure you are not prevented from making payments. Please note, only cards issued in the same country as your Skrill account is registered can be used to increase limits.' There are two limit settings: 'Outgoing transaction limit' set to 'USD 6000.00 within any 90 day period' and 'Credit/debit card deposit' set to 'Total limit for 30 days USD 143.00 : USD 143.00 remaining'. Both have 'Increase limit' links. On the right side, the 'Balance' section shows 'USD 0.00 available' with 'Upload' and 'Withdraw' buttons, and a 'Send Money' button below.
